[RUSH] MESSAGE: There is no IIFW form (Issue Classification) present.

Thank You

[XRUSH] RESPONSE: The Issue Classification has been 'complete' in OACS since NOA. There is some sort of problem where it can be opened but not printed.

I went back and redid the information on another Issue Classification and included a copy here.

INITIALS: GUE

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
